

HVAC/Plumbing Services & Energy Solutions

EMCOR Services Arizona: a name you can trust in HVAC, Plumbing and Energy Efficiency

EMCOR Services Arizona, a wholly owned subsidiary of EMCOR Group, Inc. (NYSE: EME), is a licensed full service mechanical contractor headquartered in Phoenix, Arizona. We specialize in all industrial and commercial HVAC applications. The experts at EMCOR Services Arizona have over 300 years of combined service experience and we provide value to our customers through high-quality consulting services and efficient, cost-effective, customized solutions.

Plumbing Service & Process Piping Solutions

EMCOR Services Arizona has over 200 combined years of experience in plumbing service and the process piping industry. Our plumbers are OSHA certified with over 40 hours of training. We provide specialized testing such as back flow certification and drain line camera inspections. From clearing a drain to repairing leaks, we provide reliable, same day service, and we are available around the clock, 24/7/365.

The Only HVAC and Energy Solutions Resource You'll Ever Need

Providing a complete package of fully integrated, single-source solutions ranging from engineering applications and automated control systems to turnkey in-house capabilities including design assistance, we can support a variety of your facility needs.

We provide customers with high quality consulting and services that address today's most compelling energy related issues, including CFC phase outs, LEED, Energy Star, and federal energy savings mandates, and we are a member of Energize Phoenix. What's more, we offer packaged solutions with long-term support and easy access to timely information—and with a single point of contact. We design it, install it, service it, and maintain it.

The bottom line is we're here to help you maintain a business environment that is efficient and cost-effective, as well as comfortable.

A Passion for Safety and Quality

Our personal commitment to safety extends from our senior management to our field staff. They're supported by EMCOR's **"Be There For Life, ZERO Accident Program,"** which has helped EMCOR companies achieve safety performance that is **5-to-10 times better than the national average.** Performance like this is one of the many reasons you can rely on EMCOR Services Arizona for consistently safe, on-time project delivery.

Our sales team is ready to develop a tailored solution that fits your facility needs. Call us at [866.889.4262](tel:866.889.4262) or visit us on the web at www.emcorarizona.com
